## The Aeronautical Society of India Nasik Branch

## National Seminar

### Theme

*New Trends  
in  
Aviation Technology*

**on 24<sup>th</sup> & 25<sup>th</sup> Sept 2010**

*Venue : Kino Theater, HAL Township, Ojhar,  
Nasik 422 207*

**Announcement &  
Call for Technical Seminar Paper**

## BACKGROUND

The Aeronautical Society of India, a professional body devoted to the advancement of Aeronautical Sciences and Engineering in India, was founded in the year 1948. Pandit Jawaharlal Nehru, the great visionary was the first Patron – in – Chief of the Society. The Society has its members drawn from amongst the scientists, Engineers, Operators, Govt. Departments, Armed Forces, Research and Development Organizations, Corporate and Manufacturers. The Society propagates its Aim and Objectives through its various branches spread over the entire country. Over the years, the Society has served as a very useful platform for bringing together academic and research institutions, industry & Government bodies towards exchange of knowledge and diffusion of information on the latest trends in aviation technology. In the light of this mandate, the AeSI, Nasik Branch has teamed up with the RCMA, DGAQA, 11 BRD A F, AFLE & HAL, Nasik together to take a lead in organizing a National seminar.

## OBJECTIVE OF THE SEMINAR

The seminar aims in bringing together researchers, designers, manufacturers, practicing engineers & Certifying agencies on a common platform in order to exchange ideas and sharing knowledge in the recent new trends in aviation technology.

## THEME OF THE NATIONAL SEMINAR

The Aeronautical Society of India, Nasik  
Type V – 5, 11 BRD A F, AFLE & HAL, Nasik, Pin 422207  
Email: [aesinasik@gmail.com](mailto:aesinasik@gmail.com)

*New Trends*  
in  
*Aviation Technology*

## CALL FOR PAPER

The Seminar aims to discuss the various technologies followed in aviation field and their new trends in the area viz. machining, forming, welding, assembly, testing of aircraft systems, avionics, navigation, flight controls, composite materials etc.

The Society invites authors to submit papers, which are original contribution on above subjects.

Those desirous of presenting at this Technical Seminar are requested to submit the abstract ( not more than 300 words) of their papers and also the full paper by e-mail. The abstract and the full paper should be typed in MSWORD with 1.5 line spacing ( Font size =12, Times New Roman). The abstract/full paper shall include the title of the paper, name(s) and address(es) of the author(s). In case there is more than one author, the name and address of the lead author shall be indicated for further correspondence. Acceptance of the paper will be communicated to the participant through email & Telephone. The authors should mention their affiliation with addresses, email , telephone & fax nos. The authors have to submit their abstract & full paper along with duly filled registration form (at least one of the authors must register). Abstract, full paper and the registration form should be sent by email [aesinasik@gmail.com](mailto:aesinasik@gmail.com) on or before 7<sup>th</sup> Sept 2010.

Acceptance of abstracts & full paper will be communicated to the corresponding author before 14<sup>th</sup> Sept 2010 by email.
